

# Pneumatic Fastener

## DESCRIPTION

Ductmate Industries proudly presents the Repeater 4200. This pneumatic fastener has been meticulously designed and tested, and is the clear choice for fastening slide-on flange to ductwork. Don't let this lightweight, safe, and easy-to-use model fool you. The Repeater 4200 packs a serious punch, able to drive fasteners through a variety of specialty metals. Once you try it, you'll wonder what you ever did without it.
