

INSULATION CUTTERS

LSU *LINER SIZER FOR USE WITH 1/2 IN. TO 2 IN. LINER*

The LSU Advance Liner Sizer will help size and cut duct liner more efficiently than ever thought possible with a hand operated machine. It's enhanced features, make it possible to cut cotton fiber insulations, filter media, rubberized products and other unusual materials. The cross cut and slitter blades are mechanically gear driven to spin while cutting. This spinning action shears the material to create precise cuts in the most difficult of substances.
