Universal Press-On Bull Nosing

For 1", 1½", and 2" Insulation

DESCRIPTION

Press-On Bull Nosing for 1", 1½", and 2" insulation.

BASIC USE

Ductmate Press-On Bull Nosing is universal and can be used on DM Flange and T.D.C / T.D.F systems a fast and effective means to reduce fibers within the air stream.

FEATURES

- Double-sided adhesive gasket for fast application
- Helps protect insulation from damage
- Available for multiple insulation thicknesses
- Consistent product quality
- Can be used with multiple flange profiles:
 - DM 25, 35, 45°
 - WDCI J and H
 - T.D.C® / T.D.F®
- Union made in the USA

INSTRUCTIONS

- Step 1. **IMPORTANT** - Cut the bull nosing to the exact length of each flange to ensure the bull nosing does not overlap corners.
- Step 2. Remove release paper from self adhearing gasket.
- Step 3. Apply adhesive side to flange face and ensure the raw edge of the insulation is complete covered by the bull nosing.

LIMITED PRODUCT WARRANTY

Ductmate warrants that the Press-On Bull Nosing, when properly installed and maintained, will be free from defects in material and workmanship, and will comply with all written specifications made by Ductmate at the time of sale. Ductmate's warranty shall run for a period of one year from the date of manufacture.

Warranty Limitation

The warranty stated above is in lieu of all other warranties, express or implied, including but not limited to the implied warranties of MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Although Ductmate may have suggested the product, or provided written or oral advice to the Purchaser, it is the Purchaser's responsibility to test and determine the suitability of the Press-On Bull Nosing, or the intended use and purpose, and Purchaser and/or its customer assumes all risk and liability whatsoever regarding such suitability.

Limitation of Liability

In the event of a breach of the above warranty, Ductmate's sole obligation, and Purchaser's sole and exclusive remedy, shall be, at Ductmate's option, repair or replacement of any defective products, or refund of an applicable portion of the purchase price. Ductmate shall have no liability for costs of removal or reinstallation of the product. The Purchaser agrees that no other remedy, including but not limited to loss of profits, loss sales, injury to person or property, or any other special, incidental or consequential damages, shall be available to the Purchaser for any claim arising out of this Agreement, regardless of whether such claim is made in contract or in tort, including strict liability in tort. In no event will Ductmate be obligated to pay damages to the Purchaser in any amount exceeding the purchase price that the Purchaser paid to Ductmate for the allegedly defective product.
