THC12 HOLE CUTTER

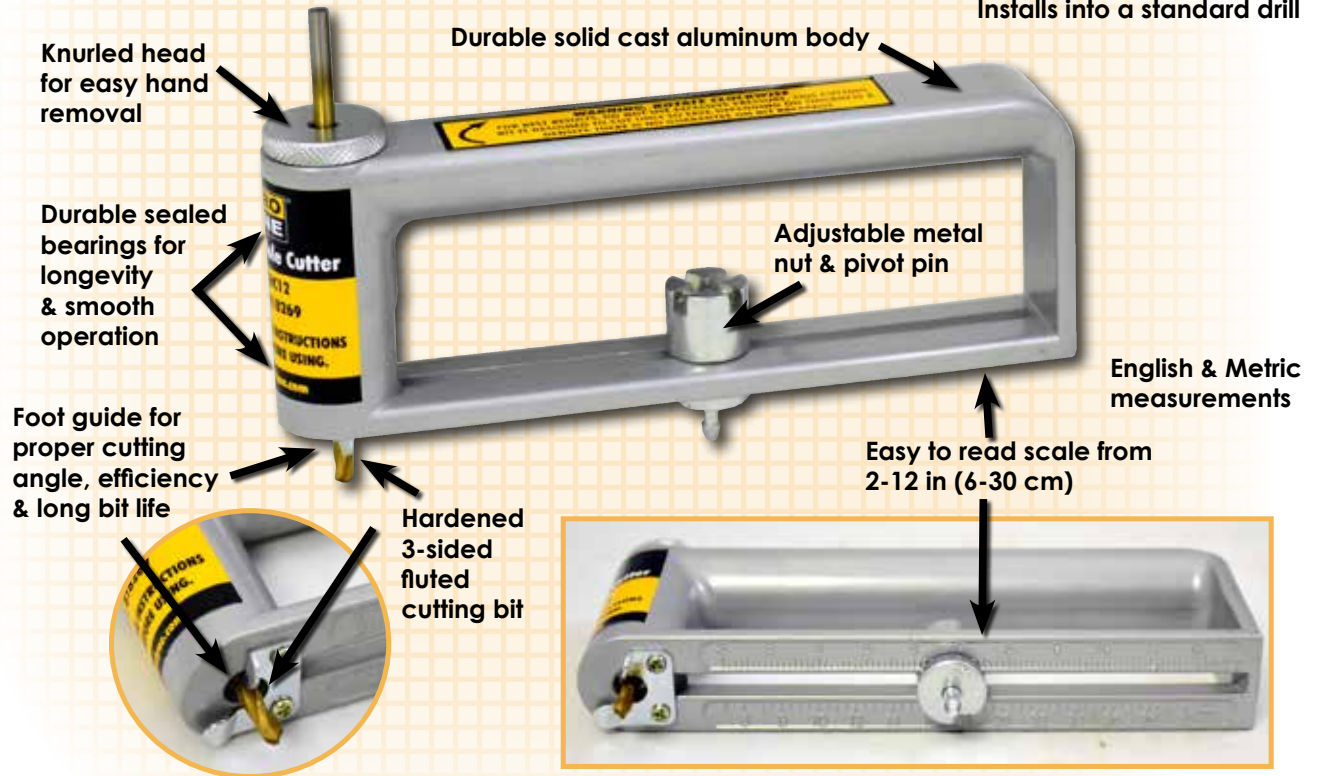

The 2"-12" Hole Cutter from Duro Dyne cuts perfect holes in seconds for all types of sheet metal applications by simply installing into a standard drill.

FEATURES:

- Safer method of cutting holes compared to standard snips
- Saves time & labor! Especially when several same size holes are being cut.
- Cuts 2" - 12" diameter holes smoothly & perfectly
- Recommended to cut 30ga to 20ga galvanized metal
- Will cut all types of metal, aluminum, plastics, formica, etc.
- Long lasting replaceable three flute cutting bit
- Allen Key included

Installs into a standard drill
