

WISS ALUMINUM SNIPS

Half the weight of comparable forged snips. Sleek head design allows material to easily flow over snip while cutting. Slim nose ideal for making cuts in tight places and reaching corners. Handle rings designed for added comfort and greater cutting leverage. Designed to cut up to **22 Ga** cold rolled steel. Available in 12" and 14".

12" Snip
Extended blade tip

No pinch stops

Large wide handle loops

FEATURES:

- Sturdy plastic display card
- Cut length:
 - 3" cut length for 12" Snip
 - 3 1/4" cut length for 14" Snip
- Long blades for smoother cuts & curves
- Strong and durable lightweight aluminum construction
- Large wide handle loops increase leverage and comfortably fit all hand sizes and gloved hands
- Wide mouth to accommodate a wide range of materials such as stainless steel, aluminum, copper, metal roofing, fabric, flashing, vinyl siding and more
- Extended blade tip gets into tighter corners
